FOREWORD

We the class of '50 in this edition of the Conococheague strive to bring to you the five points of our guiding star: the people and their social, educational, athletic, and dramatic accomplishments. To show the achievements and honors we have won in these fields during the past four years is not the sole purpose of this book, but we wish to convey to you the happiness we have acquired, the moral standards we have set, and co-operativeness we have learned.

If we have succeeded in giving to you our thoughts and ambitions, our efforts have not been in vain, and the aims of this book have been accomplished.

CLASS HISTORY

We, the class of 1950 of Greencastle High School, have at last attained that goal for which we have been striving during the past four years. Suddenly we find that all those busy and exciting days are about to end. Let us, one more time, review the high spots of our high school days.

Today, the third of September, 1946, eighty-six eager, excited freshman filed into Main Room. Under the helpful guidance of Mr. Conrad and Mr. Gingrich we were soon settled into our new environment. As the months rolled by high school soon became an integral part of our lives. We elected Norman Walck for our president and Orville Forsythe for our secretary-treasurer. The social highlight of the year was the Christmas party.

On September 2, 1947, we returned to school filled with burning ambition. We weren't "greenies" any more! For our officers we elected Wilbur Lantz, president; Norman Walck, vice-president; Nancy Hess, secretary; Harvey Rice, treasurer. We also chose Dolores Geddes and Robert Zullinger to represent us on Student Council. We were quite active this year. We presented a play entitled "Grapes for Dinner". The cast was composed entirely of Sophomores. Our boys and girls were active in sports. The Sophomore Chorus participated in the Christmas program. The social events of this year were a trip to Cold Springs and a picnic at Cowan's Gap.

Again, on September 7, 1948, the class of 1950 returned to school. What a different feeling we had this year....so much to do! We started by electing officers. Chosen were: president, Norman Walck; vice-president, Joe Copenhaver; secretary, Evelyn Shinham; treasurer, Norma Hartman. Nancy Hess and Eugene Coldsmith were elected to Student Council. Then we began having the thrills that belong to a Junior only: we ordered our class rings, we chose our class colors, motto, flower, cap, pennant, and emblem. Later we selected our class song. Many good ones were submitted. It was a difficult choice. We decided on the one written by Geraldine Statler. As our crowning glory we presented, on March 31 and April 1, our class play "Here We Go Again" under the direction of Mrs. Lehman. It was a great success.

Now, finally, on September 7, 1949, we returned for our last year of education at G. H. S. We found our number drastically reduced from eighty-six to forty-six. We had the "distinction" of being the smallest senior class for a number of years; however, good things come in small packages. We began by presenting our class play on December 8 and 9. This year we broke the bands of tradition and presented an entirely different type of play. It was "Jane Eyre", a period play adapted from Charlotte Bronte's immortal novel. Under the patient and skillful direction of Mrs. Lehman we made it a tremendous success. Every one seemed to really enjoy the change. We had our class pictures taken at Russell's Studio. We looked forward to our last assembly program, our Washington trip and Commencement exercises.

During these four years we have actively participated in sports and clubs and have tried to keep our scholastic standards high. But time marches on and although we are saddened at the thought of leaving each other, the time to part has come. We will take the knowledge we gained, enter the uncertain world and try to live up to and teach the excellent principles we have been taught. We will strive to make our dear Alma Mater proud of us in future years.

Juniors

History

On September 6, 1949, the class of Fifty-One once again climbed the steps of G. H. S. This time we had a feeling of superiority as we were now upper classmen.

Our first class meeting was held on September 16 in Room 5, where we elected our class officers to guide us through the year. We also selected Lorraine Shank and Charles Lowe to represent our class on the Student Council.

On October 3, we decided to buy class rings. We met in Room 9 where Mr. Grove explained the procedure for getting the rings. A ring committee was appointed by the president and those on the committee were as follows: Robert Pilgrim, chairman, Jean Brechbiel, Dorothy Daugherty and Rose Potter. The day that the samples arrived, the class went to the office to cast a vote for the ring of his selection.

On November 18, we held a meeting in Room 5 where we selected our class colors, motto and class flower.

A Christmas party was held in each of the home rooms on December 23. The rooms were appropiately decorated. We exchanged gifts and were served delicious refreshments. Everyone had an enjoyable time.

We are eagerly looking forward to Spring when our class will present its class play, and are even more excited over the fact that next year we will be mighty SENIORS.

About eighty-five sophomores met in Room 9 on the second Friday after school started and elected class officers. On October 28 the Latin Class presented "Ghost In The House" in assembly, and that night many of us enjoyed the high school party.

On December 16 many attended the high school Christmas Dance. The Sophomore Glee Club took part in the high school Christmas Program. Then on December 23 each home room held a Christmas Party and a week's vacation followed. We had all been looking forward to this and enjoyed it very much.

The class is represented on the varsity basketball team by John Schenkel and several other boys are on the junior varsity. We have quite a few girls on the basketball squad; "Sis" Talhelm, Ida Beard, Shirley Ambrose, and Joan Pensinger have been on the starting line-up in several games.

Our class is well represented in all other activities of the school, and we are eagerly looking forward to passing the half-way mark into the lofty regions of upper classmen.

CLASS OFFICERS

On September 6, 1949, ninety-five shy but excited freshman entered Greencastle High School.

The freshman class was divided into three sections: A, B, and C. We were all seated in Main Room with Mr. Conrad and Mr. Gingrich as our home room teachers.

A few weeks after school had opened, we elected our officers and home room committee.

At Christmas we drew names and had a party. We sang Christmas songs, exchanged gifts, and had refreshments. This was enjoyed by everyone.

The freshman civics class made survey of the Greencastle and Antrim people. The surveys were about the religious experiences of adults and high school students. On January 11 our civics classes took a field trip by bus to several places of historic and civic interest in Antrim Township. We visited the town reservoirs, the gas pumping station, Enoch Brown Park, the Old Brown's Mill School, Corporal Rihl Monument, and the Greencastle Sportmen's Farm. This project was followed by related work in our civics, science, business, and English classes. We learned many interesting facts and gained a greater appreciation of our community through these activities.

There were a number of freshman girls out for hockey and basketball. A few boys participated in soccer and basketball.

At the beginning of the school year the club had an interesting trip to Bedford Spring Hotel where our Region B meeting was held. There were fifteen girls from our club who attended. About 9:30 A. M. two hundred and fifty girls and their advisers met in the lobby and registered. At 10:45 the morning session convened in Convention Hall. Then we had a short recess and had a luncheon in the dining room at 12:15. Dr. William M. Smith spoke at the luncheon on the subject "Girl Meets Boy." This was very interesting. After the convention was adjourned, the girls went for a refreshing swim in the indoor swimming pool.

Two girls from our club helped put on the Emblem Service which was given in Chambersburg at the Franklin County Teachers' Institute as well as at the Region B meeting in Bedford.

On January 24 seven of our F. H. A. girls who are eligible for Junior Homemaker Degree will go to Chambersburg to have their degree conferred upon them.

F. F. A.

The Greencastle Chapter of the F. F. A. is composed of boys taking the agriculture course. We hold meetings the last of every month. We have a pig club sponsored by the Citizens National Bank which gives a member one registered pig and in turn gives back a pig from the litter.

In July of 1949 we held a Jamboree at Caledonia. Students from schools of Adams and Franklin County were present. In September we held a leadership training course at Gettysburg High School.

Last year our annual F. F. A. Banquet was held at New Oxford. There were F. F. A. members present from every school of Franklin and Adams County.

CALENDAR HIGHLIGHTS

In celebration of the coming of the ghosts and goblins an assembly play was given by members of the Sophomore class and a party was enjoyed by the Junior High and High School students.

Two new arrivals to G. H. S. this year were the electric scoreboard which we have wished for so long and the new radio-phonograph which arrived just in time to be used for the Senior Play. This was purchased with the Curtis Drive profits.

After many weeks of faithful practices the Senior Class presented their last play, Jane Eyre, to a capacity audience. Mrs. Lehman directed this play and received many high compliments.

Following two weeks of high-powered salesmanship a special assembly was held to present the awards and officially accept the trophy we won for exceeding our goal.

In celebration of the holidays each room had a Christmas party on the last day before vacation. A good time was reported by all--especially the Seniors who had the use of the gym. Here is the evidence!!!!!

In our basketball season we have won victories and suffered defeats. We have been made happy and we've been made sad as the whistles of the referees proclaimed the end of the game.

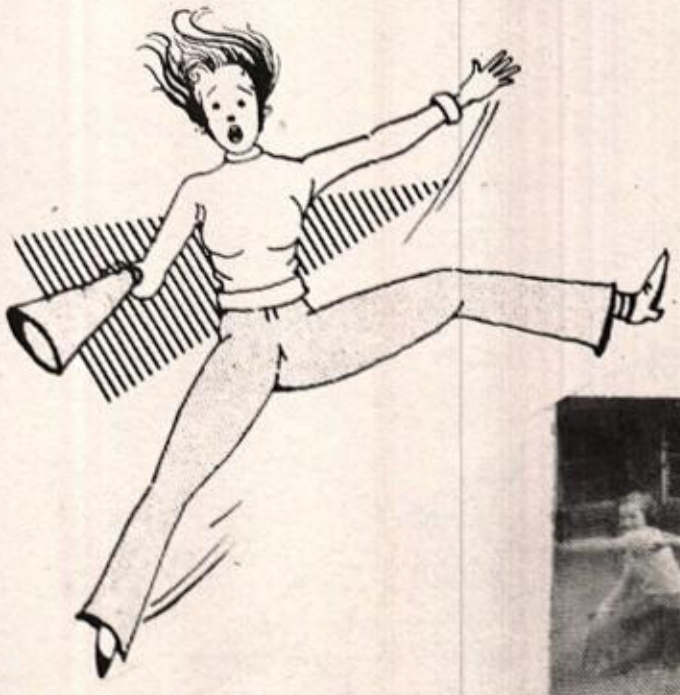
Feverish work to complete Yearbook.

Athletics

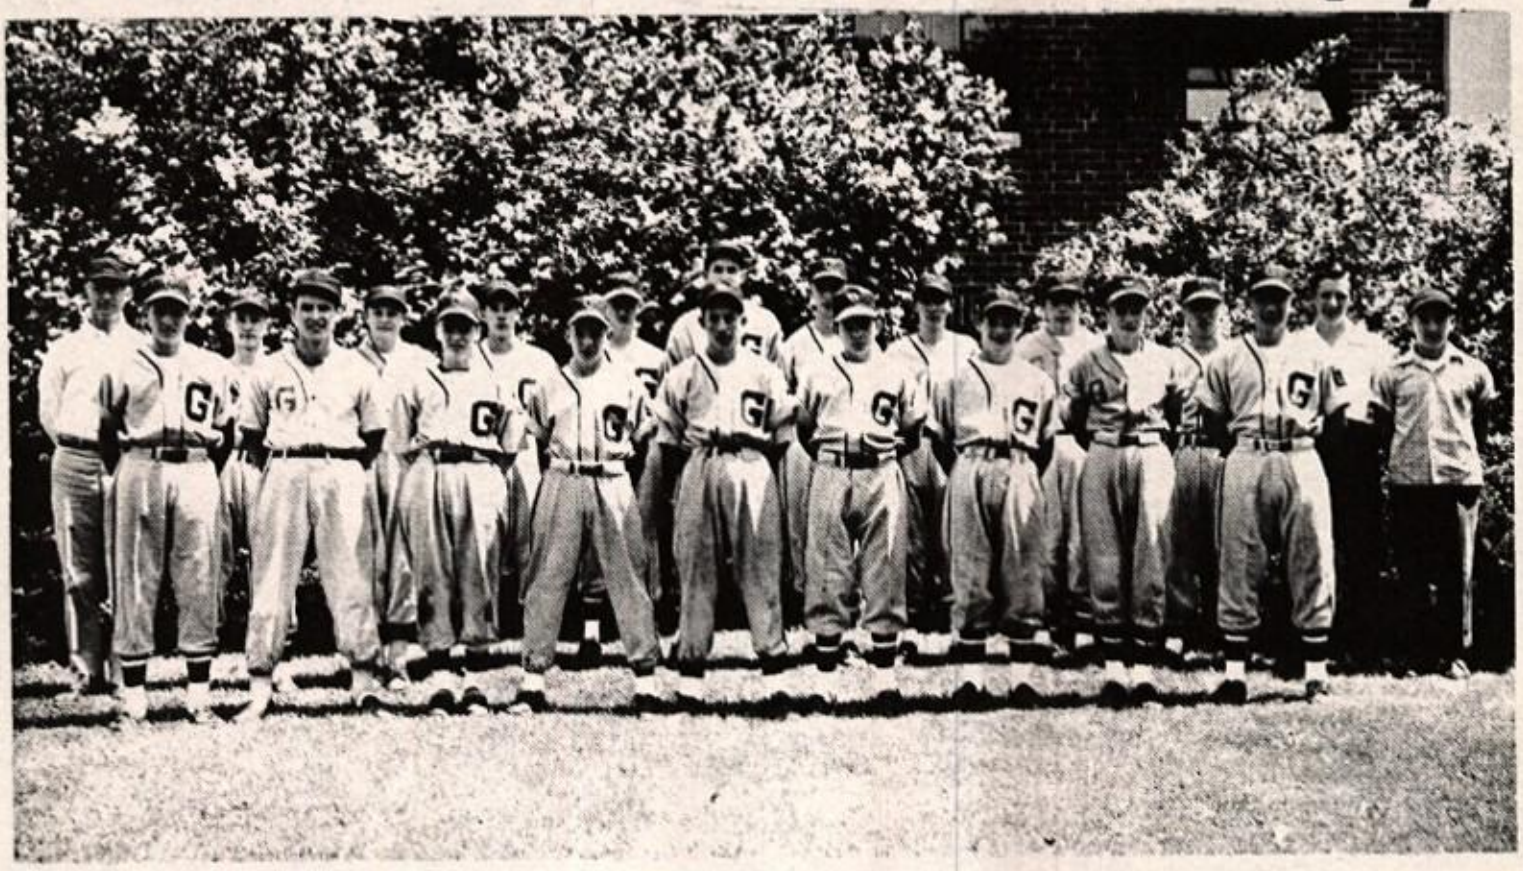
BOOSTERS ...

Soon after the beginning of school we had a yell session at which time cheer-leading tryouts were held. After spending an apprehensive lunch time all four groups were chosen--even our five exuberant Junior boys. As yet the fellows have been too preoccupied to cheer. For some reason, such as that, their pictures are excluded from this book.

Throughout the season the cheerleaders have spurred the teams on to victory and have shared with the boys their few defeats.



BASEBALL CHAMPS '49



Coach Conrad's diamond aggregation opened the baseball season with high hopes, but the beginning of the season was mixed with victories and defeats.

This year held special interest because it would decide who would win permanent possession of the Franklin County Baseball Trophy. This trophy was to be rewarded to the first team to win it for three years. Quincy, St. Thomas, and Greencastle each had two legs on it. Quincy had their "King" Cole, St. Thomas their "Bud" Foreman, but we had our "Cat" Danzberger. Who would win? Lady Luck returned to us when St. Thomas had to forfeit a game to us. From that time on Greencastle was in the winning column. We played Quincy in two practice games and lost, but much to our elation, when we met them for the playoff games, we trounced them and ultimately won the trophy for keeps.

Here's how we did it!

SOCCER

About twenty five boys came out for soccer this year, and all that stuck to the regular evenings of practice have the experience of "playing for the school."

The team has a fair record for the 1949 season with 4 wins and 6 losses. Coach Kaley feels sure that he will have a strong, fighting, fearless, and furious team for the next season, since all of the boys have a great deal of experience.

The boys who will be lost by the team this year are: Norman Walck, Joe Copenhaver, Frank Shatzer, and Lynn Murray.

The scores are as follows:

		We	They
Sept. 28	Scotland	4	0
Sept. 30	St. Thomas	1	4
Oct. 4	Quincy	9	0
Oct. 11	Lemasters	0	1
Oct. 12	Mercersburg	2	3
Oct. 14	Scotland	4	0
Oct. 18	St. Thomas	0	5

BASKETBALL

Varsity Squad

Coach Conrad's Blue Devils dribbled onto the court this year as one of the strongest teams in the history of G. H. S. athletics. After many weeks of strenuous practices and faithful skull sessions the team played several non-league games. Since we won all but two of these we felt we had a strong chance at the Franklin County championship. In the past the boys have had a successful season; the future holds what it will--a trophy--we hope!

On January 27 the mighty five met Scotland which was to be the decisive battle of the first half. Despite the strong challenge of a nip and tuck battle our boys fell to the hands of fate in the last few seconds of play and lost the game 35-33.

We pay tribute to these boys who are this year completing their services in G. H. S. basketball: Dewey Walck, Joe Copenhaver, Cups Zullinger, Whitey Barkdoll, Shot Lohman, and Lynn Murray.

GIRLS' SPORTS

HOCKEY

After many weeks of intense practices and skull sessions, Miss Martin and her tribe of approximately thirty-five mighty Amazons met the Scotland Red Devilettes in two tragic contests. The scrapping Greencastle lassies marched on the field... fought to kill or win...we lost 3-2 and 2-1. The season was pepped up by several interclass games which gave everyone a chance to show her colors.

Despite the heartbreaking defeats we suffered, we feel that we won many moral victories through the good will of Coach Martin and the co-operation of our fellow hockeymates.

BASKETBALL

This year Miss Williams took over the role of coaching girl's basketball. Many girls responded to practice sessions. After diligent practices, the girls undertook their first game. They have lost in all their undertakings thus far, but they are looking forward to an improved team and anticipate that they will win some of the remaining games.

GYM CLUB ACTIVITIES

The annual indoor circus is rapidly becoming one of the highlights of the G. H. S. school year. The main attractions are gymnastic feats performed by the gym team under the direction of Mr. Kaley and comedy stunts added by several clowns. Another drawing card for these events is a delegation of girls selling eats(!!!), noisemakers, and kewpie dolls (to the boys). Last year we were privileged to have exquisite music furnished throughout the evening by a five member G. H. S. ensemble. We are again looking forward this year to these evenings of thrills and laughs.
